Transportation rules for children

Children shorter than 1,10 m must sit on an adult's lap when using the lifts, while those up to 1,25 m in height must be accompanied by an adult. Children who are over 1,25 m can use the facilities unaccompanied.

Fresh Snow, Fresh Snow, Fresh Snow

Please be aware that the quality of the slopes can suffer on days after heavy snowfall despite preparation. This is because the fresh snow does not solidify with the one already covering the slopes, causing the formation of piles of snow.
